Cosmo RQ®

Homogeneous: Directional - Phthalate Free

2018

Special Features

CERTIFIED BY
SCS Global Services

ISO 16000 - 6

Applications

- Schools
- Colleges
- Offices
- Cinemas
- Supermarkets
- Creches

Product Description

Cosmo RQ® is a fully flexible, homogeneous vinyl floor covering with a uni color decor throughout the 2.00mm / 3.00mm thickness available in sheets and tiles.

Cosmo RQ® is treated with RQ Protect process providing a high level of durability and acting as a barrier against stains and chemical aggression. RQ Protect completely replaces the application of wax or polish during the lifetime of the product.

Cosmo RQ® is suitable for modular structures and heavy traffic areas. It is available in wide variety of colours.

Cosmo RQ® is VOC ($\leq 1/2$ Chronic REL) and formaldehyde compliant ($\leq 9.0 \mu\text{g}/\text{m}^3$) according to the CDPH/EHLB/Standard, Method V1.1-2010 (certificate 120316-01).

A Bold Statement

A solid colour vinyl, Cosmo RQ® can be laid in any direction and cut into any pattern making a designed floor stand out. The RQ treatment ensures its usage in the most demanding environments.
